

CHAI-LIGHTS

MID-SEMESTER 2025

Here's a peak into some Chai-lights you made happen for NSJews! Thank you!
-Rabbi Aryeh & Ety Schwartz

A NEW TORAH!

Welcoming the brand new Torah into the Chabad NSU family was the biggest honor. Even more special has been the students commitment to reading it together as often as possible! One student shared: ***"My highlight this Semester was dancing with the Torah into the streets! So fun & the truest show of Am Yisrael Chai!"***

THE SECRETS OF LOVE & MARRIAGE

In a packed house with guest author & speaker Doron Kornbluth from Israel, students stayed for hours & walked away with real life tips! You bring **you** to your marriage - activating EGGS: Exercise, Giving, Gratitude & Spirituality to be my best self & then choose wisely based on shared values.

SINAI SCHOLARS & SINAI+

Sinai Scholars and Sinai+ means that 30 Jewish Students committed to 8 weeks of advanced learning! Each have challenged themselves to own their Jewish Journey. ***"I find myself praying to G-d because I want to."*** ***"My mind is blown, I never knew what a gift we have."*** - overheard from students after class. Next up for Sinai Scholars is the exclusive 5 day Retreat in August!

PURIM!

"I never want to miss a Purim at Chabad!" Neither do we 😊 Over 200 NSJews for Purim in the Wild West, 6 Megillah Readings, Purim Express on Campus, Purim/Shabbat Fusion Feast - this holiday got everyone laughing & connecting, and thats the Chabad way!

MENTAL HEALTH WORKSHOP

Stressed & Anxious No More! NSJews benefited from a Mental Health workshop focusing on accessing our senses to be present and rise above anxious thoughts & feelings. Highly appreciated, we look to bring more mental health support!

CHA-BOARD LEADERSHIP TEAM!

Student leaders enjoyed an exclusive Hamentash Bake before we broke off into power teams to plan the rest of the Semester. Rabbi rocked the "Hey Rabbi" Challenge & these leaders keep upping the game for future NSJews!

GRADS LUNCH & LEARNS

Grads got together for Kosher Lunch, Torah Talk & an all-around boost in both the Health Professions Division and in Law School. Tapping into the power of a Jewish community on Campus uplifts & re-jew-vinates hard-working grads!

Monthly donors lay the foundation for all the NSJew magic to grow. Consider joining the Chai Club today!
